NOTIFICATION ENVIRONMENT POLICY

PRESEVATION AND PROTECTION OF ENVIRONMENT

Environment and Sustainability: -

Preservation and Protection of Environment is one of the core value and mission of Gyanoday College of Education. College took the following initiatives in this direction:

- **Environment Club**-it is headed by one of the faculty members. Any student can become a member of this club by filling up registration form and paying a nominal membership fee of Rs.50/- per year. Environment Club regularly organizes issue-based activity through skits, nukkad nataks, debates, competitions, seminars and workshops.
- **Green and Clean Campus**- College has a pollution free green campus. To keep the campus green, more than 50 fully grown trees are planted. Every tree is given a number. The campus is surrounded by different plants and herbs.
- **Beautiful ambience** –Roads inside the campus are covered with fully grown trees which adds to the beauty of the campus.
- **Waste Management**- Solid waste and liquid waste is scientifically maintained and some of the waste is segregated and recycled.
- **Rain Water Harvesting Pit**- As per the directions of National Green Tribunal, rain water harvesting pit is developed and maintained.
- **Observation of Earth Day**- College observes Earth Day by organizing activities like –Poster Competitions, Slogans, skits, essay writing, and talks.
- **Water conservation and Reservoir Workshop**- One day workshop is organized on various issues related to water conservation, safe drinking water, storage and recycle of water etc.
